

2020 Corporate Responsibility Global Commitment

COVID-19 relief

SPAIN £10,525

Albergue San Juan de Dios Madrid
€2,949

The shelter of Albergue San Juan de Dios works to provide a home and meals for homeless people in the centre of Madrid. This service is especially crucial during COVID-19 because no one should be out on the streets, and it will be even more important during the economic crisis we may face.

alberguesanjuandediosmadrid.org

Caritas
€2,949

The Caritas ante el Coronavirus emergency response to COVID-19 aims to ensure that the most vulnerable continue to receive support. The programme is addressed to families, elderly people and the homeless. It provides medication, PPE and food.

www.caritas.org

Save the Children
€2,949

Save the Children is working to help keep children safe and alive, protected and learning. They aim to make communities prepared and resilient so they can get through this difficult time. Donations help to provide PPE, medical supplies and training for local health workers in areas where cases are already high. They are also helping children learn remotely by providing parents with guidance on home educating.

www.savethechildren.es

San Juan de Dios Málaga
€2,949

The emergency appeal is aimed to support a homeless shelter and an elderly rest home. The charity needs urgent assistance to provide food and to protect their volunteers and residents to avoid the virus spreading.

www.sjd.es

ITALY £16,375

Fondo Savills IM Emergenza Covid-19
€2,949

The fund is aimed at procuring and transporting healthcare material (ventilators, gloves, masks protective clothing) to ensure the urgent supply of medical and health equipment to be delivered primarily to the Civil Protection and the Italian Red Cross. The fund was created to contribute to the costs of cargo flights between Beijing and Malpens at the request of the Cariplo Foundation and in collaboration with the Embassy of Italy in Beijing and the China-Italy Philanthropy Forum.

LUXEMBOURG £2,527

Medecin Sans Frontieres

Also known as Doctors without Borders, the charity's COVID-19 response focuses on three main priorities: 1) supporting authorities to provide care for COVID-19 patients, 2) protecting people who are vulnerable and at risk and 3) working to keep essential medical services running.

www.msf.org.uk

FRANCE £6,628

Les Petits Frères des Pauvres Association

The charity offers long-term support for people living in isolation and precariousness in Paris and in remote rural areas. Areas of intervention are the home, shared accommodation, hospitals, prisons and on the street. Through their actions, they create and strengthen links allowing elderly people suffering from isolation to rediscover life.

www.petitsfreresdespauvres.fr

JAPAN £3,249

The Japan office has not yet selected a charity, but have confirmed they will be donating to one of the medical organisations handling COVID-19 in Tokyo.

UNITED KINGDOM £31,408

NHS Charities Together
£10,469

The NHS Charities together National COVID-19 Urgent Appeal aims to support NHS staff, volunteers and patients impacted by the pandemic across the UK by funding grants to help NHS charities in a number of ways, such as providing wellbeing packs, recuperation rooms and electronic tablets for isolated patients. Donations will also resource vital care partnerships and longer term mental health recovery of NHS staff and families.

www.nhscharitiestogether.co.uk

Age UK
£10,469

This is a time of great anxiety for everyone, but especially for older people and their loved ones. Age UK are working hard to ensure that vital information, advice and befriending services can continue to safely help older people who need them most during these worrying times.

www.ageuk.org.uk

Shelter
£10,469

Shelter's helpline has already seen a sharp rise in calls for help from people worried about losing their jobs, homes and keeping their family safe in these unprecedented times. Shelter also must continuously support those who are currently homeless during this pandemic. Donations can help as many people as possible keep their homes.

www.shelter.org.uk

THE NETHERLANDS £2,527

Stichting het Vergeten Kind

More than 100,000 children living in the Netherlands grow up in families with problems at home, and of these, 55,000 can no longer live safely and happily at home. As a result of COVID-19, many more children are in unsafe and stressful home situations. The 'Foundation of the Forgotten Child' helps support these children through organising activities and events that have a direct positive impact on their lives.

www.hetvergetenkind.nl

USA £722

Catholic Charities of Brooklyn in Queens

More than 60% of the New Yorkers struggling with COVID-19 live in Brooklyn and Queens. Many of them are struggling and in need of food, financial assistance and other support as they try to cope with the impact of the pandemic. Donations can help Catholic Charities continue to provide vital services to the communities of Brooklyn and Queens.

www.ccbq.org

SWEDEN £5,415

UNICEF

As the number of COVID-19 cases soars, so do the needs of children and their families. From delivering life-saving health supplies, to building water and hygiene facilities, to keeping girls and boys connected to education and protection, UNICEF is working to slow the spread of COVID-19 and minimise its impact on children worldwide.

GERMANY £24,910

**Frankfurter Tafel e.V.
Münchner Tafel e.V.
Hamburger Tafel e.V.**

The German offices have donated to a group of local food banks aimed at relieving food poverty and reducing food waste in Frankfurt, Munich and Hamburg. The food banks do this by rescuing good quality surplus food that would otherwise have gone to waste, and sending it to community groups who need it most.

POLAND £2,166

Property4Heroes

This initiative has been backed by industry heavyweights such as SKANSKA, Ghelamco, HB Reavis, Invesco and Griffin and aims to support medical staff in 11 Polish hospitals by funding and delivering almost 1,000 daily meals to them. Meals are mostly prepared by tenants in buildings participant companies manage, so there is an element of tenant support too.

SINGAPORE £6,137

Fei Yue

The term Fei Yue connotes the transformation process of a person when he or she overcomes old ways of living, and assumes the qualities of a new person. Fei Yue serves vulnerable groups including low-income families, children of special needs, prison inmates and their families, the elderly and children who face domestic abuse. The charity also promotes family and community cohesion and bonding through inter-generational programmes, transnational programmes and active ageing.

www.fycs.org

MALAYSIA £722

PERTIWI

PERTIWI is a project-orientated charity addressing the welfare and needs of women and children. Projects include lobbying for women's rights in Malaysia; educating, nurturing and empowering women; increasing literacy skills in children; providing medical aid to remote villages; and creating a mobile soup kitchen to provide free meals to those in extreme poverty and homeless people.

www.pertiwi.org.my

AUSTRALIA £361

AU\$ 608 / €405 donated to the Italian office.
